

# ThinkPad L13 Yoga Gen 4 (AMD)

Powered by up to AMD Ryzen 7 Pro Processor, this laptop combines productivity and lightweight design – ideal for professionals who demand optimal performance while they are on the move. Support of AMD Wi-Fi 6E ensures a high-speed and reliable connected experience helping users to work from anywhere. With up to 10.91 hours of battery life, the laptop can keep rolling through your workday.

Professionals will appreciate the bright and immersive 13.3" screen with WUXGA resolution and up to 400nits of brightness that offers high visual clarity. The multi-touch fold enables a productivity mode so readers can transform the laptop into a tablet.

Configured with up to 32GB DDR4 memory and up to 1TB SSD, this device accelerates performance and enables multitasking productivity without lag.

Battery life of up to 10.91 hours means users can stay productive without worrying about connecting the device to the power cord.
